\$6.95 GUITAR A thoroughly satisfactory guitar, equal to others that sell for \$10, \$12 and \$15. We guarantee it in every respect. It must not be compared with the cheap guitars usually sold. The fingerboard and the neck are most carefully set and adjusted, so that the strings lay close to the neck, making it very easy to play. The neck is genuine cedar, the back and sides are quarter-sawn oak. It is larger than ordinary sized guitars, in fact, is a concert size. Brass keys, ebony or rosewood fingerboard. This elegant guitar with instruction book sent to any express office, C. O. D., for you to examine before paying your money. This offer good until December 25 only. Address, J. W. JENKINS' SONS, Manufacturers and Wholesalers, 225 Main street, Kansas City, Missouri.

PREMIER GOLD WATCH.

This cut does not represent the cheap \$2 or \$3 composition watch so widely advertised of late. It is the Premier Gold Filled Case, specially adapted to the ADVOCATE trade. The Premier is not worth \$100 nor \$50, but is such as most dealers sell at \$20 or \$25. It is a very handsome case, and the buyer can choose the Waltham, Elgin, Hampden, Columbus or Springfield stem-wind and stem-set movement. These watches look like gold watches, and to all outward appearances resemble a solid gold watch worth \$100 or \$200. The outside of the watch is gold, but underneath is alloy. The warranty is that the gold will not wear through inside of five years, and with good care will last a life time. The guarantee on which we buy them is: "We guarantee to take back any defective or unsatisfactory case during any period within five years."

OUR OFFER: The ADVOCATE one year and the Premier Gold Filled Hunting Case Watch (either ladies' or men's) for \$10.00. The watch alone \$9.50. Express charges (25 cents in the United States) to be paid on receipt of watch; or

A CLUB Of twenty-five yearly subscribers to the ADVOCATE and \$25 in cash will get you the watch free. We do not care to sell the watch, except to our subscribers, or the getter-up of a club.

The Kansas City Stock Yards

Are the most complete and commodious in the west and second largest in the world. Higher prices are realized here than farther east. This is due to the fact that stock marketed here is in better condition and has less shrinkage, having been shipped a shorter distance; and also to there being located at these yards eight packing houses, with an aggregate daily capacity of 9,000 cattle, 40,000 hogs and 4,000 sheep. There are in regular attendance sharp, competitive buyers for the packing houses of Chicago, Omaha, St. Louis, Indianapolis, Cincinnati, New York and Boston and the Export trade to Europe. All the eighteen railroads running into Kansas City have direct connection with the yards.
